

Marco Chinae Sanchez

2D animator and Rig Setup Artist

CONTACTS:

- mchineasanchez13@gmail.com | www.marcochineasanchez.com | (508)375-1169

EDUCATION:

Savannah College of Art and Design - *BFA in Animation*

- *September 2021 - June 2025*

- Focus on 2D Animation | A minor in Business and Entrepreneurship

WORK EXPERIENCE:

Deficiency - Short Film (August 2024 - Present)

- *Co-Director, Character Artist, and Storyboard Artist*

- Contributed heavily in the production of concept work, mainly turnarounds, marketing material, and storyboards

Sword of Set - Short Film (September 2023 - May 2024)

- *2D Animator*

- Was responsible for animating important shots pertaining to the film's protagonist

Test Your Strength - Short Film (January 2024 - March 2024)

- *Rig Builder and Animator*

- Built the master controller rig for one of the main characters from scratch
- Additionally, I achieved in animating the rigs for shots that needed to convey complex character acting

Terminated - Short Film (September 2023 - November 2023)

- *Rig Builder, Animator, and Concept Artist*

- Carried out important tasks throughout every phase of production
- Built the master controller rig for the films' main antagonist
- Animated the shots with the most movement and character acting in the film
- Revised and finalized the entire film's character animation, minus the main character's death
