Shot Breakdown

“Pity” (Personal Project) - 2024

Designed the characters and background, animated them, and composited the shot in its entirety

- Hand-drawn

- Software: Toon Boom Harmony and Photoshop

“Stargazer” (Short Film) - 2025

Did the rough keys and breakdowns, inbetweening, and cleanup for both characters (including the quadruped's run)

- Hand-drawn

- Software: Toon Boom Harmony

“Sword of Set” (Short Film) - 2024

Inbetweened and cleaned up the shot in its entirety

- Hand-drawn

- Software: Toon Boom Harmony

“Maladaptive Dreamer” (Short Film) - 2025

Imported the puppet/rig into the file, blocked in the keys, animated the inbetweens in full, including the drawing swaps and smears

- Software: Toon Boom Harmony

“Don't Eat That” (Short Film) - 2025

Keys were already in the file; I added breakdowns and inbetweened the character and blanket (including lip sync)

- Hand-drawn

- Software: Toon Boom Harmony
